1. GENERAL

- 1.1. Katherine & King's College of London ("KKCL" or "the College") is a provider of English language courses, foundation programmes, further education courses, higher education courses, vocational courses, professional training courses and other courses ("the Courses"). All courses are offered subject to availability.
- 1.2. By applying to study at KKCL, you agree to be legally bound by these terms and conditions, which are subject to review by the College and may be modified from time to time.
- 1.3. If the application form is signed on behalf of the student by his/her sponsor/guardian/representative, these terms and conditions still apply.

2. ADMISSION AND COURSE

- 2.1. Every effort has been made to ensure that the information contained in KKCL's Prospectus and Website is correct. The College will endeavour to deliver programmes and other services in accordance with the descriptions provided.
- 2.2. The College reserves the right to make variations to programme contents, entry requirements and methods of delivery, and to discontinue, merge or combine programmes, both before and after a student's admission to the College, if such action is reasonably considered necessary by the College.
- 2.3. In the event that, prior to the student commencing the first term of study for any programme offered by KKCL, the College discontinues the programme, the student may either (1) withdraw from the College without any liability for tuition fees; or (2) transfer to such other programme (if any) as may be offered by the College for which the student is qualified. If in these circumstances the student wishes to withdraw from the College and to enrol in a course at a different college, KKCL shall endeavour to assist the student.
- 2.4. Once the student has commenced the first term of study:
 - 2.4.1. If the College's ability to deliver a programme or other services in accordance with the descriptions provided is compromised by circumstances beyond the reasonable control of the College, the student will not be eligible for refund. However, the College will endeavour to minimise disruption as far as it is practical to do so.
 - 2.4.2. If the programme is cancelled or substantially varied from descriptions provided by KKCL for reasons other than circumstances beyond the College's reasonable control, the College will try to provide a suitable replacement programme. If the student does not wish to accept the replacement programme, the student shall be entitled to withdraw from the programme. In the event of such withdrawal the College shall make an appropriate refund of unused course fees in accordance to section 3 of the terms and conditions.
- 2.5. If the College makes an offer of a place, the student must make sure that he/she is aware of any conditions on which the offer is based and that these conditions are met by the notified date, and that he/she is aware of the terms of the offer, for example, the year in which the programme starts or the length of the programme. Students are advised, if there is any uncertainty, to contact the College for confirmation of the details, before accepting the offer.
- 2.6. All declarations made on application forms are accepted in good faith. Any false declarations or failure to produce original documentary evidence when required may result in the final expulsion from the course to which he/she has been admitted. In such cases, the student will not be entitled to any refund.
- 2.7. Any financial requirements stated on the conditional offer letter issued to the student have to be met before a student's enrolment is accepted.
- 2.8. Once enrolled with the College, it is the students' responsibility to register with the relevant professional body, where applicable, or enter for any examinations held externally.
- 2.9. Unless otherwise stated, course fees charged by KKCL do not cover subscription fees with professional bodies & exam boards, external examinations fees and cost of study materials (i.e. books and manuals).

3. PAYMENT & REFUND

- 3.1. The course fees advertised by the College are correct at time of issue. However, the College reserves the right to change any course fees prior to the course commencement date.
- 3.2. The College is not responsible for any bank charges. UK bank charges will be added to the cost, and are applicable to all methods of payment accepted by the College. A charge of £50 will be made to students for all dishonoured payments.
- 3.3. The college accepts bank transfer, cheque, cash and bank draft. The College does not accept foreign currencies and all payment must be made in GBP.
- 3.4. The College accepts debit and credit card payments in person, on its website and over the phone; for credit card payment over £15 there will be a payment process fee of 3%, there is no charge for debit cards. For payments under £15 there will be a fixed charge of £1 for both debit and credit card.

- 3.5. The College does not store credit card details nor do we share it with any 3rd parties apart from the payment processing company.
 - 3.6. All course fees are payable in full before the course commence date unless otherwise agreed in accordance with 3.7. In regard to overseas students, the college requires all outstanding balances to be cleared once visa applications are approved by the UKBA.
 - 3.7. At the discretion of the College, students may be allowed to pay their course fees in instalments. Failure to keep up with the instalment payment will incur a 12.5% collection fee charged on top of the remaining balance. Any outstanding instalments are still payable even if the student withdraws from the course.
 - 3.8. The registration fee and administration fee is not refundable.
 - 3.9. Any registration and/or subscription fee for professional association(s) is not refundable.
 - 3.10. All applications for a refund are subject to a cancellation fee of three times the registration fee (plus any disbursements and courier and transfer charges). The College requires all original documentations / Letters issued by the college returned before processing any refunds under any circumstance.
 - 3.11. All refund requests must be filed with KKCL at least four weeks before the original course commencement date (as detailed on the Confirmation of Acceptance for Studies Letter / VISA letter), subject to satisfying clause 3.10. No refund will be made to students who have been previously granted their request to delay, postpone or defer the commencement date of their study.
 - 3.12. KKCL may consider a refund at any time if the student's ability to study at the College is compromised due to extraordinary circumstances beyond the student's reasonable control such as: a serious medical condition or life-threatening accident. This decision will be made on a case by case basis at KKCL's total discretion and is subject to satisfying clause 3.10.
 - 3.13. If a student decides to finish the course early or discontinues the course once the course has started, no part of the course fees will be refunded or transferred except in such situations described in clause 2.4.
 - 3.14. If a student arrives late for the start of the course, takes a holiday during the course, or is asked to leave the college because of serious misconduct or poor attendance, no refund will be made.
- 4. REFUND CONT.**
- 4.1. Once a visa national student has obtained a Confirmation of Acceptance for Studies (CAS) or Visa Letter from the College, no refund is available unless the visa application has been refused by the Home Office, subject to satisfying clauses 3.10, 3.11, 4.2, 4.3, 4.4, and 4.5.
 - 4.2. The College must be notified within 7 working days when a visa application has been refused. A full copy of the VISA refusal letter must also be produced. Failure to do so will release the College of any obligations to process any refunds and also waive the student's right to request any refund.
 - 4.3. If a visa application is refused due to fault attributable to the student or the student failed to satisfy the UK Home Office that he/she is a genuine student or for reasons which are within the student's reasonable control, the College accepts no responsibility to refund. These include but are not limited to situations where the student failed to provide necessary documents or demonstrate adequate financial support, not fulfilling UK regulations & VISA requirements, submitting an incomplete application, submitting a bank statement not in accordance to the UK Home Office guidelines or false representations.
 - 4.4. If the student has applied for an administrative review or made an appeal to the VISA refusal, no refund request can be made until outcome of the process.
 - 4.5. The College reserves the right to withdraw a student from the College register and permanently withhold all previously paid fees if the student:
 - 4.5.1. Submitted fraudulent/falsified documents in his/her application to KKCL and the Home Office.
 - 4.5.2. Deliberately failed to disclose required information on the KKCL application form.
 - 4.5.3. Attempted to defraud the UK immigration laws and regulations.
 - 4.6. The College provides educational services and is not immigration adviser. You should seek independent legal advice as the College is not regulated to offer immigration advice.
 - 4.7. Acceptance into the College does not mean you will be automatically successful in applying for an UK VISA. The responsibility for the validity and accuracy of a VISA application lies solely with the student. It is the student's sole responsibility to ensure that he / she meets the UK VISA requirements.
 - 4.8. In some circumstances (for example, where student applied to KKCL with incomplete VISA record or academic history), KKCL may require the student to waive his / her right to apply for a refund by completing a Waiver Form before accepting the student onto a course. For the avoidance of doubt, where a Waiver Form is completed, the student waives the right to a refund.
